Invitation

50th Anniversary of the Colloquia of Danubian Countries, since 2003 continued as European Weathering Symposia (EWS)

It is with great pleasure that we invite you to participate and to present a paper in the 8th EWS (XXXth Colloquium of Danubian Countries on Natural and Artificial Ageing of Polymers) to be held in Vienna, the place of incorporation, on September 20 - 22, 2017.

Launched in 1967 by four relevant institutes from Austria, Czechoslovakia, Hungary and Yugoslavia, the Colloquia of Danubian Countries have been the only exclusive meetings in the field of natural and artificial weathering of polymers. Relaunched as EWS they have attracted a broader scope of attendees.

In the tradition of these colloquia, the EWS is a meeting point for experts from industry and academia to learn from each other. The main topics in 2017 will be:

- Weathering of Polymeric Products – Plastics and Coatings
- Determination, Simulation and Effects of Relevant Climatic Quantities
- New Test Procedures and Devices
- Weathering Reference Materials
- Analysis of Polymer Degradation
- Service-Life Prediction
