No apology for absence.

3 Introduction of new members

Sami Myllyniemi and Klaus Kangas are presenting themselves .

4- Report

The essential of the meeting is consecrated to completion of the draft.
An advance version of the draft is joined to the current report.

Time schedule :

- Colin Weetch will finish the paragraph on Life duration test
- Release of the RP to the virtual list , for advice, comments and proposals.
- New names are welcomed from the TAB members to this virtual list.
 - o Submission to SEE R and ESS WG
 - o the document is given to Dave Richads for taking care to put the document in its final format
- Completion of the final document
- Distribution of one exemplary of the document to the CEEES delegates at next meeting

5- FUTURE of the R&ESS TAB

- o Henri :
 - Low resources in the TAB : promote some chosen national documents to become basis for CEEES RP. Exemple : aggravated screening document of ASTE.

6. Michel Holy has announced that his participation to this 50th CEEES congress is the last one for him : thank you to Michel for his continuous support to the R&ESS TAB since so many years, and for the friendship he always has prodigated generously to all of his colleagues. Happy and long continuation in the new pages of your life ,Michel.
