

## **Members of the CEEES Technical Advisory Board for Reliability and Environmental Stress Screening**

Chairman : Henri Grzeskowiak, ASTE

Deputy Chairman : Colin Weetch , SEE

### **Scope and Activities**

The CEEES Technical Advisory Board for Reliability and Environmental Stress Screening is a platform:

- for the exchange of information relating to the role of the different types of tests in the product reliability and more generally maturity and to the role of stimulation into the precipitation of patent defects in patent ones,
- for elaboration of recommended practices ( RP's ) , surveys and other reference documents in the field of product Reliability and Environmental Stress Screening.

Members of Reliability and Environmental Stress Screening TAB		
name	1 <sup>st</sup> name	Company/National Society
GRZESKOWIAK	Henri	MBDA F /ASTE
AXEBSSON	Bengt	AXEB AB/SEES
BOUDEWIJN	Jacobs	PHILIPS MEDICAL SYSTEMS/PLOT
BOOTLE	Bob	MBDA UK/SEE
GERSE	Jan	DUTCH SPACE/PLOT
HOLY	Michel	Contraves/SSEE
PALMEN	Helge	VTT Industrial Systems /SEEF
PEREGO	Marco	ACS/AITPA
PETERSON	Chris	ACS/UEST
ROOSSIEN	Harry	SONY ERICSSON/PLOT
RUDING	Gunnar	Ass. of Swedish Engineering Industries /SEES
VAN DORP	Aad	National Aerospace Laboratory/PLOT
WEETCH	Colin	e2v Technologies/SEE
